

## Another Major Validation - Speaking of Which Multi Nick-Musidora Stakes Gr.3, York

Bred on the Danehill[USA] / Green Desert[USA] nick, like the progeny of Speaking Of Which[IRE] from Multidimensional[IRE] mares – Shutter Speed[GB] (3bf Dansili[GB] ex Photographic[GB] by Oasis Dream[GB]) wins the Musidora Stakes **Gr.3** at York and maintains her unbeaten status. She now heads for the Prix de Diane **Gr.1** (French Oaks **Gr.1**) at Chantilly.

Shutter Speed wins the Musidora Stakes **Gr.3** by a length and three quarters.  
It is generally the best Oaks Trial

*Frankie Dettori looks up admiringly at Musidora Stakes Gr.3 winner Shutter Speed*

It never rains it pours! York had no rain for a month. They then had a month's rain in a day. Shutter Speed had won her previous outing on good to firm. She still won the Musidora Stakes Gr.3 - on going declared as soft - by a length and a quarter. Similarly validations for the Usha nicks have been pouring in since the start of the European flat racing season! Please refer to our earlier emails on these validations.
