Cataleya 3bf (Multidimensional ex Farrfesheena) being led in by Dr. Ram Shroff, Mr. Raj Shroff, Ms. Ameeta Mehra, Malesh and Deepesh Narredu after winning The Forbes Breeders' Juvenile Fillies Championship Gr.3

Cataleya 3bf (Multidimensional ex Farrfesheena by Rahy) announced her arrival as a Classic contender with an emphatic 2.5 length victory in the Forbes Breeders' Juvenile Fillies Championship Gr.3 in Mumbai on Sunday.

A two length winner on debut as a two year old, Cataleya's second run was below par. She was found to have an earlier undiagnosed infection. Classic trainer Malesh Narredu had spotted her talent and gave her sufficient time and plenty of tender love and care during her recovery . She responded and announced that she was rearing to go once again with some blazing track work.

Classic owners Dr. Ram Shroff and Mr. Raj Shroff having

personally selected Cataleya, painstakingly partake in her campaign strategy. Taking note of the experienced PS Chouhan's leading win rate, they booked him for the ride, when he came available.

Having been given the liberty to set the pace if required , PS did so with confidence. Cataleya was keen and fought hard for her head. It wasn't an easy job to restrain her, but PS prevailed .

Entering the straight, PS displayed full confidence in his mount and remained still, well after his rivals were seriously at work on their mounts. Of course the battle to restrain Cataleya in the early part of the race, had expended a lot of her energy, but she had enough in reserve to win comfortably by two and a half lengths.

This family has blinding speed as exhibited by Cataleya's half sister by Exceed And Excel - Way Out - for trainer CD Katrak. However, there is plenty of stamina too and Cataleya's half brother by Cape Cross - Ruacana - proved that by winning a two mile Gr.1 hurdle in heavy going, at Chepstow for trainer John Ferguson.

The two year old full brother to Cataleya has just entered training with leading Hyderabad trainer - Laxman Singh and is a horse that we shall follow keenly. There is a previous illustrious Hyderabad connection. This is the family of the Indian 2000 Guineas Gr.1 victor - Machiavellianism trained by LVR Deshmukh and also of Plenipotent.

We have a pretty yearling full sister to Cataleya at the farm. Their dam - Farrfesheena is carrying to Speaking Of Which and is due to foal next month.

Cataleya 3bf (Multidimensional ex Farrfesheena by Rahy) cruises home 2.5 lengths clear of the opposition in the Forbes Breeders' Juvenile Fillies Championship Gr.3.
