**Myrtlewood (Multidimensional ex Adamile)
Wins The Villoo Poonawalla Indian Oaks Gr.1**

A joyous owner Mr. Mehernosh Deboo, a doting breeder Ms. Ameeta Mehra, a satisfied jockey PS Chouhan, a smiling owner Mrs. Deboo and a pensive trainer par - excellence Pesi Shroff with the Champion - Myrtlewood

Myrtlewood (Multidimensional ex Adamile) left a significant section of Mahalaxmi (see top picture) between herself and the rest of the field in the Villoo Poonawalla

Indian Oaks Gr.1 on Sunday. In the bargain she established without a doubt, that she is by far the best of the Indian Classic fillies, having won the Indian 1000 Guineas Gr.1 in a similar nonchalant manner.

She once again displayed a relaxed temperament, enabling jockey PS Chouhan to settle her nicely at the rear of the field. He quietly moved her outward approaching the final bend. When asked to, Myrtlewood produced her trademark explosive turn of foot and shot to the front for an effortless win exhibiting class of a calibre different from anything else on display.

Going back a few months, when asked during the Pune season about Myrtlewood's plans, Master Horseman Pesi Shroff had stated very categorically " I am going to take my time with Myrtlewood". Patience has certainly paid.

The connections of every Derby contender today know in their hearts, that this is no ordinary filly and she means business.

We wish Mr. and Mrs. Mehernosh Deboo and Pesi and team the very best of luck.

Myrtlewood is the second Multidimensional foal from Adamile (Razeen ex Climbing High by Last Tycoon) after her illustrious sister Amelia (also trained by Pesi and in whom Mr. Deboo was a part owner). Amelia's wins included the Fillies Championship Stakes Gr.1, the Maj. PK Mehra Memorial Super Mile Cup Gr.1 and a host of other graded races.

Myrtlewood and Amelia are line bred to some breed shapers. They are 4x3x5 to Northern Dancer, 5x5x4 to Natalma, 5x5 to Ribot and Flower Bowl and 5x5 to Buckpasser. These are prepotent genes.

In a cruel stroke of fate, which is an integral part of the business of breeding thoroughbreds, we lost Myrtlewood's dam Adamile to a snake bite a few months ago. We do, however, have a yearling full sister at the farm. One look at her and it's obvious you're in the presence of a yearling with exceptional potential and from a blue blooded family. What is equally obvious, is that in her own sweet natured and unassuming manner, she knows so too.
